

# ANNUAL SNAPSHOT

## 2023

The 2023 Annual Snapshot is a preliminary report of the Primary Health Care Corporation's (PHCC) activities for 2023. It highlights key statistics and outlines the services offered by PHCC's 31 health centers. The snapshot provides essential information about the patient population, including details on visits and resources. This serves as an initial overview before the full, comprehensive statistical report, offering a deeper dive into PHCC's yearly progress.
